NOTICE

TO ALL HOPE LOCAL 2220 MEMBERS ACROSS ONTARIO

First and foremost THANK YOU for continuing to provide top quality care and comfort during these trying times!

HOPE and Carpenters' District Council of Ontario recognize just how important your work is for all of us in Ontario during this unprecedented pandemic. Your work is not just a job, it's so much more. And the work you are doing is so important to protecting and caring for those most vulnerable of Ontarians.

You have struggled to be at work. You have made tough choices to potentially put yourself at risk to help others. You have dealt with child care issues and PPE shortages and immense stress and worry.

In recognition of the sacrifices you have made and the struggles you are facing in being there on the front lines for us, your Union wants to be there for you.

As an initial "thank you" and to assist our members at this time, HOPE is suspending all union dues for the next two months and will review the situation based on the circumstances to determine if this period should be extended. The Carpenters' Union's March 24th Notice to all of you acknowledge that "a debt was owed" to the members of HOPE. This is just the start of that debt being re-paid and the CDCO and HOPE will continue to do more to re-pay you in the days and weeks to come.

In solidarity and with greatest gratitude!
